Omschrijving:

Business Opportunity!

Two fully operational businesses are for sale at an attractive price, ideal for anyone wishing to take over a restaurant and takeaway / ice cream shop activity.

Located in an ideal spot in the heart of Verdizela, these two businesses are sold turnkey, ready to continue operating immediately. The two current employees are included in the transfer and must be retained, which greatly facilitates the continuity of the business.

These are two commercial spaces located side by side, offering real potential and easy opportunities for future development.

The company can be taken over immediately.

The rents are very attractive: €1,100 per month for both premises and the two activities, a rare opportunity that is difficult to find in the area.

Do not hesitate to take over these businesses to continue and further develop them.

A great opportunity for an entrepreneur who wants to quickly start with a business that is already operating.
