Omschrijving:	

Set in one of Ungasan's most desirable and rapidly developing areas, these exclusive 2-bedroom loft apartments present a refined opportunity for both lifestyle living and property investment in Bali. Designed with a modern two-level loft concept, each unit offers an elevated sense of space, combining contemporary architecture with functionality and comfort. Located within a secure complex featuring parking area, 24/7 security, and high-speed internet, the property ensures convenience and peace of mind for residents and guests alike.

Two distinctive unit types are available, each offering its own unique appeal. The first-floor unit spans 144 sqm and features beautiful ocean views, providing a premium visual experience that enhances both daily living and rental attractiveness. The ground-floor unit, larger at 162 sqm, includes a private jacuzzi and balcony, creating a relaxing and intimate outdoor retreat. Both types are fully furnished and equipped with a modern kitchen, spacious living and dining areas, and two bedrooms with ensuite bathrooms. The double-level loft design maximizes vertical space, delivering an open and airy atmosphere rarely found in conventional apartments.

Situated in a prime Ungasan location, these loft apartments are well-suited for long-term investment in Bali's thriving property market. The generous size, stylish layout, and premium features make them attractive to families, couples, digital professionals, or long-stay tenants. Whether used as a private residence or as an income-generating property, these 2-bedroom loft units offer flexibility, strong rental appeal, and long-term value in one of South Bali's most promising areas.
