Omschrijving:	

Set in a tranquil location, this spacious country home offers the perfect blend of comfort, potential, and rural charm—just a short 5-minute drive from the vibrant market town of Civray. The property features four generously sized bedrooms, including two conveniently located on the ground floor, making it ideal for family living or accommodating guests. A large family kitchen/dining room forms the heart of the home, complemented by a separate, comfortable sitting room for relaxation. A standout feature is the impressive barn of approximately 175m<sup>2</sup>, offering excellent versatility—whether for vehicle storage (up to 5 cars), a camping car, or potential conversion into independent accommodation (subject to permissions). Outside, the home has a substantial garden with beautiful, far-reaching countryside views, creating a peaceful and private setting. The swimming pool, which requires a new liner, is a fantastic asset for summer living and benefits from a heat-exchange pump, used for just one season. Despite its serene surroundings, the property remains conveniently close to local amenities, shops, and markets in nearby Civray.
