Omschrijving:

It is a duplex apartment located in one of the blocks of an urbanization in Vila Real, located on the top floor of the building. Although in the official documentation it is described as a T4, considering the use of the upper floor, it works in practice as a T5, with a very generous area spread over two floors, in addition to including two parking spaces.

The main floor consists of an entrance hall, a large living room with distinct living and dining areas and access to a balcony, three bedrooms (one of them en suite), three bathrooms, a dressing room, kitchen and pantry.
