Omschrijving:	

Between the tranquility of Almancil and the proximity to the Golden Triangle, this property offers a rare combination of privacy, comfort, and versatility.

Fully renovated in 2023, this detached villa showcases a contemporary style, with modern lines and high-quality finishes. The layout has been carefully designed to ensure a practical and fluid living experience, with six bedrooms that comfortably accommodate both family and guests.

The living room connects seamlessly to a fully equipped main kitchen, with both the kitchen and the lounge enjoying direct access to the pool area, creating a natural indoor-outdoor flow.

On the lower level, the leisure areas create distinct environments, ideal for socializing, entertaining, or relaxing. This floor is further complemented by a second independent kitchen perfect for additional meal preparation or hosting friends and family while maintaining the homes organization and privacy.

Outside, the landscaped garden ensures total privacy and features multiple lounge and dining areas, as well as a heated saltwater swimming pool with a cover, allowing year-round use.
