Omschrijving:	

Imagine waking up every day to the sound of the sea as your soundtrack, in a place where the line between home and ocean seems to disappear. In the prestigious area of Praia dos Aveiros, there is a truly unique apartment, as if suspended over the water, offering a rare and deeply immersive living experience.

Fully renovated in 2017, this property reveals great attention to detail in its finishes, where modernity and quality come together to create an environment of comfort, elegance, and exclusivity. Natural light fills the spacious living and dining room, extending into the equipped kitchen, both with a stunning frontal sea view — a constantly changing scene that transforms everyday life into something extraordinary.

The private area consists of three en-suite bedrooms, designed to ensure tranquility and privacy. There is also a guest bathroom, a functional pantry, and a magnificent exclusive terrace of 78 m², where the maritime horizon stretches endlessly, inviting moments of pure relaxation.

Set in a quiet and privileged environment, the apartment also offers access to an indoor and outdoor swimming pool, garden, air conditioning, electric shutters, two parking spaces, and a storage room — amenities designed for a comfortable and carefree lifestyle.

Despite its secluded atmosphere, it is close to all essential conveniences, from supermarkets and restaurants to pharmacies and schools, allowing you to fully enjoy the best that the Algarve has to offer.

More than just a property, this is a rare opportunity to live in a space where luxury and location meet in perfect harmony — literally over the sea.

Schedule your visit and discover this unique retreat.
