A Casa Da Joana is a real estate company that was born in the city of Aveiro. It stands out for its rigorous and careful selection of the properties it promotes and presents to its clients. It sees itself as a relaxed

concept, where finding the ideal home, and the most exciting one possible, are the watchwords. The closeness and empathy it builds with its clients creates bonds and establishes a relationship of trust and credibility that can't be matched. We are on the market to bring color and passion to the real estate market and to combat the traditional model of buying and selling property. Our home is the most special place in our lives and, for this reason, choosing it is a process that should be advised with all the importance and care it deserves.
