Omschrijving:

Detached 2-bedroom house for renovation or reconstruction in Bonsucesso, a quiet residential area, five minutes from the cities of Aveiro and Ílhavo.

This house has a footprint of 116m², of which 56m² are associated with the private area and the remaining 60m² are associated with the dependent area. However, considering its poor state of conservation and the good potential of the 385m² plot on which it is located, it is an excellent opportunity for those seeking a property for total transformation, where they can unleash their imagination and create the house of their dreams.

It is just 600m from the Bonsucesso de Aradas Chapel and the well-known restaurant, Abílio Marques, so access to the city centers of Ílhavo and Aveiro is only 5 minutes away!

Notes:

- The garden has a well, which it shares with the neighbour.
- This property does not have a habitation license, so its acquisition will have to be made with own capital!
- The street still lacks basic sanitation, despite being surrounded by residences.
