Omschrijving:

Nestled within a calm and private urbanisation on the slopes of the Serra de Tramuntana, this rustic house in Fornalutx unfolds as an intimate retreat from which to admire one of Mallorca's most beautiful villages. From every corner, the views stretch across stone rooftops, winding streets and a landscape that shifts in tone with the changing light.

The home is distributed over two levels, where tradition and comfort come together naturally. On the ground floor, the living space flows effortlessly: a cosy lounge, dining area and an open-plan kitchen designed for unhurried moments, all seamlessly connected to the outdoors and the expansive views. Natural light fills the interiors, creating a warm and serene atmosphere.

On the upper floor, four bedrooms offer privacy and rest, complemented by two bathrooms that enhance the overall comfort of the home. Each room preserves its Mediterranean character, defined by noble materials and a constant sense of calm.

The exterior is undoubtedly one of its greatest privileges. The private pool is positioned like a natural viewpoint over Fornalutx, becoming the perfect setting to enjoy silence, sunshine and soft evenings under the mountain sky. A garage completes the property, adding practicality without compromising its charm.

Fornalutx, with its authentic essence, cobbled streets and unhurried rhythm, represents a timeless Mallorca, where life unfolds outdoors, surrounded by mountains and nature. This property captures that very essence, offering a home designed both for disconnecting and reconnecting.

MallorcaSite recommends this property for its privileged location, exceptional views and authentic Mediterranean character.
