Omschrijving:	

For sale is a nice stone house situated in a lively town Supetar on Brač island. Crystal clear sea and nice beach is only 90 meters away. The house was built in the Mediterranean style as a tall one-story building connected to the basement by external stairs. In the basement area cca 100 m2 is an entrance space with separate part which once was a tavern. In addition, on this floor is also a big kitchen, dining room and three guest toilets. By external stairs it's possible to reach high ground floor which consists of spacious living room with attached toilet and a small kitchenette. Further down the corridor you can reach six airy bedrooms, there are two more shared bathrooms and one additional separate toilet. The living room and two bedrooms lead onto an open stone-paved terrace. The property includes a courtyard with a stone mosaic where there is enough space to install a swimming pool. Olive trees and oleander are planted in the garden which allows for a combination of leisure and privacy. The house is fully air-conditioned, furnished and currently used for tourist rental. There is a possibility to upgrade another floor and as such this property has great potential for investment.

Infrastructure: water, electricity, sewerage, paved access road.

Additional information about the facility, its exact location and sightseeing is possible after signing a brokerage agreement with the agency that is in accordance with the Data Protection Act and the Real Estate Brokerage Act.
