Omschrijving:

This villa with 240m² of living space, completed in 2018, is located on the popular south side of the island of Ciovo on a 566m² plot. The view of the bay and the offshore islands is breathtaking!

This modern building spreads over three floors. The 90 m² basement contains a large wellness area with a jacuzzi, sauna and bathroom, as well as a laundry room. Here is also a guest bedroom with a bathroom and an additional separate entrance.

The 65m² ground floor consists of an open kitchen with dining area, a living room, a toilet and a storage room. On the 80m² upper floor there are another three bedrooms, all with their own bathroom. One bedroom has a free-standing bathtub directly in front of the glazed corner windows, from where you can enjoy the wonderful view. The second bedroom has a balcony for similar purposes.
