### Omschrijving:

In one of Marseille's most elegant and sought-after neighborhoods, just steps away from the legendary Four des Navettes and the vibrant heart of downtown, a rare gem awaits discovery.

A space where the rooms feel airy, where light floods in, and where every vantage point enhances the experience.

Upon entering, the eye is immediately drawn to the remarkable ceiling height, a hallmark of spaces with character.

The generous volumes offer precious freedom of design, ideal for bringing to life a strong, unique, and distinctive concept.

On the façade, 10 linear meters of windows create an elegant and striking presence on the street.

A natural, almost instinctive visibility.

Located within a prestigious Haussmann-style building, this address benefits from a private and sought-after setting, in the heart of an area with high purchasing power.

Here, everything comes together to create much more than a store: a destination.

Ideal for a concept store, home decor boutique, gallery, premium brand, or signature project.

A location that doesn't need to be sought out.

It stands out on its own.
