Omschrijving:

Unique Land for sale in Crete, Just ten minutes away from the capital of Crete, the bustling city of Heraklion, near the Technological Educational Institute of Crete, a vast expanse of 90.000m² with three facades, is a one of a kind plot, ideal for a wide variety of uses.

This exquisite land benefits from three facades of 296m, 346m and 149m respectively, while there is a fenced perimeter totalling 1390m.

There are 1750 olive trees of 15 years old, with an annual olive oil production of approximately 15.000Kg.

The property also includes a water drilling as well as a 200m² old house built in 1970, with many interesting architectural elements and features.

This is truly unique as there aren't any other plots in such a prime location so close to Heraklion and of such a big size!

Ideal for a wide variety of commercial and industrial uses, such as hotel installations, hospital, athletic center, commercial warehouses, industrial building and many other, this is a one in a lifetime opportunity!
