Omschrijving:	

Discover this agricultural land in Ferreiras, with a total area of 17,290 m², ideal for those looking to invest or develop an agricultural, sustainable, or leisure project in a peaceful area of the Algarve.

The land offers good access, allowing entry for heavy vehicles, and already has existing infrastructure, namely electricity, potable water, and a stormwater drainage system, making it easier to implement any project.

It includes a rural building registered as agricultural support, as well as a chicken coop and a large aquarium, elements that add functionality and potential to the existing space.

Sun exposure on all four orientations (north, south, east, and west) ensures excellent natural light throughout the day, creating ideal conditions for different types of cultivation and land use.

Located in Ferreiras, in a quiet and easily accessible area, it offers the perfect balance between privacy and proximity to services, shops, and main roads.

An excellent opportunity to create a farm, invest, or simply enjoy a rural environment.

Schedule your visit today and come discover this land with great potential.
