Discover a rare opportunity to own a contemporary villa set on a generous plot (ranging from 450m² to 510m²) in one of Portugals most desirable seaside communities.

Currently in the final phase of finishing, these Silver Coast properties will soon be ready for you to move in and start enjoying a lifestyle defined by nature, ocean views, and tranquility. New, move-in-ready homes in this area are limited, making this the perfect moment to secure your place.

These thoughtfully designed two-level villas maximize space, light, and breathtaking views of São Martinho do Porto Bay. The villas also benefit from a central "praça" and communal garden that celebrate the spirit and security of community living in Portugal.

Designed across two levels, the villas maximize views and offer a modern layout focused on space, privacy, and effortless living.

On the ground level, there are 3 bedrooms (one of which is en-suite), all with built-in wardrobes and access to the private outdoor pool and garden.

Upstairs offers both indoor and outdoor access for added privacy and comfort when hosting friends and family. This level includes a guest bathroom, a fully fitted modern kitchen, and an open-plan living and dining area that opens onto a very spacious terrace.

Large windows bring plenty of natural light into the home, allowing you to enjoy Portugal's sunshine all year round.

Additional features include energy-efficient "capoto" thermal insulation and solar panels.

MONTE DA BAÍA VILLAS offer the best of Portugal: history, tradition, nature, and the Portuguese people's passion for the ocean. Just as the "salirenses" have always looked towards the sea, these properties benefit from their exceptional location.

The welcoming seaside community of Salir do Porto combines Old World charm with modern comfort, surrounded by beautiful natural landscapes and a relaxed Portuguese lifestyle. This peaceful coastal setting is perfect for enjoying life by the sea or as an investment for holiday rentals in a privileged location next to São Martinho do Porto Bay.

In the village center, you will find everything you need to enjoy your best life: local restaurants, cafés, a bakery, and even an "old-fashioned" outdoor fresh produce market where D. Maria offers locally grown fruit and vegetables.

Salir do Porto, home to Portugal's highest dunes, features two stunning beach areas. On the south side, the Tornada River flows into the bay, with shallow waters ideal for children or relaxing family walks along the shore leading to the ancient Sant'Ana Chapel. On the northern side, Salir do Porto connects to São Martinho do Porto Beach via scenic wooden walkways; a favorite spot for locals to relax and enjoy water sports such as canoeing, fishing, and paddleboarding.

This property is also an excellent base for exploring "The Real Portugal", with several renowned Silver Coast historical sites and beaches nearby. Lisbon Airport is only a one-hour drive away.
