Omschrijving:

Steeped in history, this remarkable château dates back to the 12th century and once belonged to the renowned Fleury Michon family. Ideally located just 3 minutes from the charming market town of Chef-Boutonne with its shops, cafes, and amenities, this exceptional estate offers a wealth of possibilities, from a luxury home to a successful hospitality venture. The main château is full of authentic period character, featuring fine oak panelling, a grand sweeping staircase, vaulted cellars with underground tunnels, and beautiful reception rooms. The interiors combine historic charm with modern comfort, including both a domestic kitchen and a fully equipped professional catering kitchen, perfect for hosting events or operating a chambres d'hôtes business. Within the stunning grounds, you'll find an orangerie (in need of some TLC), a heated indoor pool, a gym, and mature gardens with majestic trees. The outbuildings of nearly 400 m² offer significant potential for additional accommodation, weddings, or business use. There's also a charming maison d'amis, ideal for use as a gîte or guest house to generate extra income. Equestrian enthusiasts will appreciate the 9 horse boxes and options for acquiring additional land if desired. This is a truly versatile property, rich in heritage, full of character, and offering endless opportunities for personal or professional projects. **RARE PROPERTY ON THE MARKET !!!**
