Omschrijving:	

Discover this charming character property, comprised of magnificent stone buildings and offering numerous development possibilities. The first stone house, approximately 70 m², welcomes you with a delightful, partially covered wooden terrace, ideal for fully enjoying the tranquility of the surroundings. Inside, you'll find a spacious living room with an open-plan kitchen of approximately 42 m², warm and inviting thanks to its pellet stove. The house also features two comfortable bedrooms, a bathroom, and a separate WC. The convertible attic offers excellent potential to expand the living space to suit your needs. But that's not all. The property also includes a magnificent stone barn, already partially converted, which could easily accommodate an artist's studio, a gallery, a reception area, or a small function room. Adjoining this barn, a second house of approximately 87 m² provides additional accommodation. On the ground floor, you will find a pleasant living room with an open-plan kitchen of approximately 40 m², as well as a WC. Upstairs, a landing leads to two lovely bedrooms and a bathroom. A second staircase leads to a charming third bedroom, reminiscent of a treehouse. This property offers a peaceful living environment and represents a fantastic opportunity for a lifestyle project: main residence, gîte, bed and breakfast, or artistic or tourism-related activity. Information on the risks to which this property is exposed is available on the Georisques website: www.georisques.gouv.fr
