Omschrijving:	Modern Single-Story 3-Bedroom House - Marinha Grande

I am pleased to present this exclusive single-story 3-bedroom house, scheduled for completion in 2024, which stands out for its functional architecture and high-end finishes.

Situated on a generous 800 m² lot, this property was designed for those who value quality of life, sustainability, and privacy, without sacrificing proximity to urban centers.

With a total area of 175.23 m², the home offers spacious and well-distributed living areas. The social area, comprising an open-concept living and dining room, integrates seamlessly with the fully equipped kitchen.

It features three spacious bedrooms, including a generously sized master suite with a private walk-in closet, ensuring maximum comfort and organization.

The property is equipped with a heat pump, solar panels, a mechanical ventilation system, and air conditioning in all rooms.

The surrounding landscaped garden provides a serene setting for family leisure time. The excellent sun exposure ensures natural light throughout the day.

It includes a laundry room, private garage, and high-speed fiber-optic internet, ideal for those who work from home.

Located in a quiet residential area in Marinha Grande, the house enjoys a strategic location, with schools, supermarkets, and other amenities just a few minutes away.

Just a short distance from the region's iconic beaches, it offers excellent road access, located just 8 minutes from the A8/A17 highway and 1 hour from Lisbon.
