Omschrijving:

This urban land is located in one of the most sought-after areas of Quarteira, offering a strategic location for those who value convenience and quality of life. With a generous area of 1500 m<sup>2</sup>, it provides the ideal space for a landmark residential project. It currently has an approved housing project for the construction of 46 fractions.

The proximity to a wide range of restaurants, supermarkets and other essential services guarantees the comfort of everyday life.

Within walking distance of the beach, green spaces that allow you to enjoy moments of leisure outdoors.

The area also benefits from excellent access to public transport, schools and pharmacy, making it a good choice for families and investors. The urban surroundings, well structured, favor pedestrian mobility and reduce the need to use a car.

This is a unique opportunity for those looking to invest in a central location, with potential for appreciation and high residential demand.
