thoughtfully arranged to create a welcoming community environment.

Upon entering, you are greeted by a bright open-plan layout that combines the living, dining, and kitchen areas. Large patio doors fill the space with natural light and open onto a covered veranda, extending the living area outdoors and leading to the private garden. A guest toilet completes this level.

Upstairs, the property features three bedrooms. The master bedroom benefits from its own ensuite facilities, while the other two bedrooms are served by a separate bathroom.

Residents of the development also enjoy access to a communal swimming pool, providing a relaxing spot to unwind and soak in the Mediterranean sunshine.
