There are properties you see, and then there are homes you truly feel. This stylish townhouse in Catral is designed to offer space, versatility, and a comfortable lifestyle, all wrapped in a modern and welcoming setting.

With just under 200m² built, the property is distributed across three levels, each carefully arranged to maximise both practicality and everyday comfort.

As you arrive, a charming private terrace sets the tone, leading you into a spacious living-dining area where natural light pours in through large windows, creating a warm and inviting environment. The main floor also features a fully fitted kitchen, an additional sitting room that adds flexibility to the layout, an enclosed patio, and a complete bathroom.
