Omschrijving:

Located in Batts Rock.

A rare first-floor residence at Dolce Vita, offering 3 bedrooms, 3 bathrooms across 1,855 sq ft - and notably, the only unit within the development to feature its own private outdoor patio space - 300 sq. ft.

Designed for effortless island living, the interiors are light-filled and open, flowing seamlessly onto a private terrace that extends the living space outdoors. The layout is both functional and refined, with well-appointed en-suite bedrooms and a calm, contemporary aesthetic throughout.

Set within a boutique beachfront development in Batts Rock, St. James, residents enjoy access to a rooftop lounge and pool, all just minutes from the West Coast's most sought-after dining and lifestyle destinations.

A unique offering that blends privacy, ease, and coastal living.
