### Omschrijving:

A beautifully presented 3-bedroom apartment located in Lagos, offering panoramic sea views over the bay and a modern, high-quality design. This property combines spacious contemporary living with excellent outdoor space and a relaxed coastal lifestyle, making it ideal as both a permanent residence or luxury holiday home.

Located on the 4th floor of a modern development completed in 2019, the apartment opens into a bright and spacious living area designed to maximise natural light and the connection to the sea views beyond. Large sliding doors lead directly onto the generous east-facing terrace, creating a seamless indoor-outdoor flow throughout the main living spaces. From sunrise onwards, the terrace becomes a truly special place to enjoy the Algarve lifestyle, whether for relaxed breakfasts, morning coffee or long afternoons overlooking the coastline. The scale and beauty of the views are something that genuinely need to be experienced in person.

The open-plan kitchen is fully equipped with high-quality Bosch appliances and connects naturally to the dining and living area, creating a space that feels both functional and comfortable for everyday living or entertaining. The layout has been carefully considered throughout, with generous room sizes and a strong sense of openness across the apartment.

The property features three spacious bedrooms, including two en-suite bedrooms. The master suite enjoys beautiful sea views and direct access to the main terrace, allowing the morning light to fill the room naturally. The second en-suite bedroom benefits from its own west-facing balcony, offering sun at different moments throughout the day. The bathrooms are finished to a high standard, complementing the clean and contemporary feel of the property.

Additional comfort features include underfloor heating, air conditioning, home automation and a solar hot water system. The apartment also benefits from lift access, an electric entrance system, one indoor parking space, one outdoor parking space and a private lockable storage unit.

The condominium itself is well maintained and features a rooftop swimming pool with panoramic views over Lagos and the coastline.

Located in a highly convenient area of Lagos, the property is within a 10-minute walk of the historic centre, restaurants, shops, hospital and all daily amenities. This is an ideal property for permanent living, a lock-up-and-leave holiday home or a premium rental investment, offering modern comfort in one of Lagos most desirable locations.
