Omschrijving:

A beautifully maintained 2-bedroom corner apartment located within the highly sought-after Boavista Golf Resort in Lagos, offering open views across the golf course, exceptional outdoor space and an abundance of natural light throughout. This ground floor property combines spacious indoor-outdoor living with the relaxed lifestyle Boavista is known for, making it ideal as a permanent residence, holiday home or investment property.

Thanks to its corner position, the apartment benefits from additional privacy and a bright, airy atmosphere throughout the day. The living and dining area opens directly onto generous wrap-around terraces, creating a seamless connection between the interior spaces and the outdoors. With excellent sun exposure and multiple seating areas, the terraces provide the perfect setting for outdoor dining, entertaining or simply enjoying the peaceful surroundings and golf course outlook.

The apartment has been exceptionally well maintained and offers a comfortable and functional layout throughout. Large windows and sliding doors maximise the natural light and further enhance the sense of space within the property.

Both bedrooms are well proportioned, with direct access to the outdoor terraces, while the apartment also

benefits from a spacious bathroom and excellent overall storage capacity.

One of the standout practical features of the property is the private parking space within a closed garage, together with an unusually large private storage room, ideal for golf equipment, bicycles or long-term storage.

Residents and guests enjoy access to the well-maintained communal pool area, surrounded by landscaped gardens and peaceful green surroundings.

Boavista Golf Resort remains one of Lagos most established and desirable golf communities, known for its 18-hole championship golf course designed by Howard Swan, as well as its attractive setting between the coastline and countryside. The resort offers a relaxed and secure environment, with excellent facilities including practice areas, clubhouse, restaurant, spa and leisure amenities. Its elevated position also allows for beautiful views towards Lagos, the coastline and the Monchique mountains in various parts of the course and resort.

Located just a short drive from Lagos town centre, beaches, marina and amenities, the property offers an excellent balance between peaceful resort living and easy access to everything the Western Algarve has to offer.
