#### Omschrijving:

Take a look at this newly listed 3rd Floor Apartment which is situated in Los Alcazares and walking distance to bars, restaurants the beautiful beaches. The property consists of 4 bedrooms, 2 bathrooms, living/dining area and space for a kitchen to be installed. The property also benefits from lift access and 2 private underground parking spaces

Los Alcázares is located on the shores of the Mar Menor, surrounded by the municipalities of San Javier, Torre Pacheco and Cartagena.

Los Alcazares has a fantastic coastline with over 7 kilometres of sandy beaches which give direct access to the warm waters of the Mar Menor. Parallel to these beaches and running the entire length of town is the extremely long promenade, which is great for walking and in the quieter winter months cycling.

The town centre is relatively spread out and has a good selection of shops whilst the Bahia Centre in the Los Narejos area is packed with international eateries which are always busy during high season. The street market is held every Tuesday morning in Los Alcazares and if you miss that one there is also one in Los Narejos on a Saturday morning. If that isn't enough, there are always the two golf courses of La Serena and Roda or the Golf Deluxe miniature golf course
