Omschrijving:

The Meeting between History and Modernity. Discover the charm of living in an old warehouse converted into a loft, where contemporary design embraces the soul of Portimão's historic area. This unique property stands out for its abundant light and the judicious use of natural woods, creating a haven of sophistication and urban comfort. The private front yard offers the rarity of self-parking in the city center. Inside, the expansive open space flows naturally onto a private outdoor patio, perfect for relaxing. The rest area consists of a generous suite with a dream closet, complemented by a second bathroom and storage room.

Strategic location: close to everything you need and just 10 minutes from the beach of Praia da Rocha. This loft is the perfect choice for those looking for a differentiating property, with character, in a central location and full of life ideal for own housing, holiday home or investment.
