Apartment for Sale on Hársfa Street

We are offering for sale an 83 sqm, well-laid-out, west-facing apartment located on the 3rd floor with elevator, in a building built in 2004.

The property was created by combining two separately registered units with distinct cadastral numbers, and can easily be converted back into two independent apartments if desired, making it an excellent investment opportunity as well.

Current Layout

The apartment currently consists of:

2 comfortable bedrooms,

a spacious living room with an open-plan kitchen,

2 bathrooms,

a separate guest toilet,

and a balcony.

The larger bedroom features its own en-suite bathroom and a separate walk-in wardrobe.

The apartment is currently furnished; however, the furniture can be removed upon request.

Quiet Green Courtyard View

The west-facing windows and balcony overlook a bright, spacious, and exceptionally quiet inner garden, where mature trees makes a green atmosphere.

Flexible Investment Potential

In its current configuration, the apartment is ideal for families. At the same time, due to the two separate cadastral numbers, it also represents an attractive opportunity for investors.

If reconverted into two separate units:

one apartment 39 sqm + 6 sqm balcony,

while the other could offer 44 sqm of living space.

Optional Parking Space

An underground parking space is available for purchase upon request at a price of HUF 15 million.

Neighborhood Infrastructure

The property is just a few minutes' walk from Rákóczi út and offers easy access to Blaha Lujza tér and the world-famous New York Café.

Numerous shopping options are located nearby, including SPAR, Lidl, Rossmann, DM, as well as bakeries, cafés, and restaurants.

Transportation

Excellent public transportation connections provide quick and convenient access to all parts of the city:

Budapest Metro Line M2 (Blaha Lujza Square)
