Omschrijving:

A partially renovated former barn just a stone's throw from the centre of the village of Aunac-sur-Charente. Only the living room remains to be finished, but the property is ready to move into immediately. Entirely on one level, everything has been renovated to allow people with reduced mobility to move freely around the house. Already fitted with solar panels providing complete energy self-sufficiency, the house is heated by thermal storage radiators (with a lifetime guarantee), is perfectly insulated and is connected to mains drainage. The roof is made of sheet metal and will never need replacing. Numerous outbuildings adjoining the house open up a range of possibilities for extensions or other developments. A lovely garden with beautiful views surrounds the house. A must-see!
