### Omschrijving:

In a privileged setting, this 4-bedroom apartment stands out for the exceptional quality of its outdoor spaces and lifestyle, perfectly suited for family living. Created from the seamless union of two apartments, it benefits from a rare layout combining the best sun exposures, ensuring outstanding natural light throughout the day.

Nestled within a meticulously maintained residence, it offers direct access to expansive landscaped gardens and an elegant swimming pool, creating a serene and secure environment ideal for both children and adults. Large openings extend the living spaces outdoors, offering unobstructed views over the greenery.

Designed for family comfort, the apartment features generous volumes and a fluid layout. Spacious living areas allow for shared moments, while the bedrooms ensure privacy for everyone. The configuration also allows for dedicated work, leisure, and play areas, with a clear separation between parents and childrens spaces.

Daily life here feels like a retreat. Outdoor areas invite you to enjoy every moment: al fresco dining, reading in the shade, relaxing in the sun, or entertaining friends. Children can safely play in a green and
