Omschrijving:	

Varaždin, city center – commercial building with a total area of 240 m² in a high-traffic location. The commercial building extends over three floors and offers a functional layout ideal for various quiet business activities. The ground floor consists of an entrance hallway and a commercial space with a storefront display window, while stairs lead to the basement and the first floor. The basement contains two rooms suitable for storage of goods or archives. The first floor features two office spaces and a bathroom with a toilet. The property is equipped with gas central heating and air conditioning units, ensuring a comfortable environment throughout the year. Three private parking spaces are available in the courtyard of the building. The space is ideal for office activities, retail businesses, service-related activities, and other quiet business operations.
