This boutique private development features just 11 contemporary townhouses, with only 6 still available. Ideally located close to parks, schools, health services, sports facilities, and everyday amenities, while remaining only minutes from Loulé's historic centre and renowned market.

Designed across three levels, each home offers bright open-plan living spaces that flow naturally onto private terraces, creating a seamless indoor-outdoor lifestyle.

Available in 3 and 4-bedroom layouts, the properties include en-suite bedrooms, fully equipped kitchens, private garages, storage areas, and high-quality finishes throughout.

Built with comfort and energy efficiency in mind, the homes feature underfloor heating, air conditioning, solar panels, and high-performance thermal and acoustic insulation.

A rare opportunity to enjoy modern living in one of Loulé's most desirable residential areas in the Algarve. - REF: C212A
