Omschrijving:	

Nestled in the prestigious residential area of Restelo, known as the Embassy District, this stunning contemporary villa of 623 m² embodies modern elegance, refined architecture, and absolute comfort. Set on a beautifully landscaped 1,250 m² plot, the property enjoys a dominant position with breathtaking panoramic views over the Tagus River, and ideal sun exposure throughout the day. Designed to combine sophistication and functionality, this villa stands out for its high-end finishes, generous volumes, and bright, airy atmosphere enhanced by large glass façades that open seamlessly onto the garden and pool.

Living Spaces

Spread across three levels connected by an elevator, the villa offers the perfect balance between privacy and social living.

Lower Level

An elegant entrance hall with guest restroom and direct access to a 39 m² garage (two cars and motorbikes).

This level also features a laundry room, storage area, bathroom, and a 66 m² leisure space with bar, fireplace, cinema room, and mezzanine office offering a spectacular view of the 25th of April Bridge.
