Poreč, surroundings – sea view and luxurious surroundings

In one of the most well-maintained and sought-after settlements in the Poreč area, a building plot is for sale, which stands out for its attractive location and pleasant surroundings. It is a quiet location surrounded by quality real estate, where the neatness of the settlement, luxurious surroundings and sea view create ideal conditions for building a family home or holiday villa.

The plot has an area of 819 m² and is located on a gentle slope towards the south, which allows for good sunshine throughout the day. The plot offers a view of the sea, while in front there is currently a beautiful olive grove that further contributes to the feeling of privacy and Mediterranean atmosphere.

Water, electricity and sewage are located next to the plot, and the location is extremely well-maintained and equipped with infrastructure, which allows the future owner to start construction more easily.
