Excellence through experience!

We offer for sale an intravilan land plot located near Paradisul Verde, in a rapidly developing area, appreciated for its tranquility, clean air, and easy access to the city.

The land has a total surface of 2,447 sqm and a generous frontage of 54 meters, offering multiple development opportunities, whether for the construction of a single residential home or a larger residential project.

The property benefits from easy access and represents an excellent opportunity for those who wish to build according to their own project, with full freedom in terms of planning and design of their future investment.

This property is ideal both for developers and investors looking for a well-positioned plot in an area with high growth potential.
