Excellent modern-style villa with three bedrooms that will be completely refurbished!

The villa is in a fantastic development in Vilamoura, facing east or west and enjoying all-day sunlight.

On the ground floor, there is a modern-style kitchen, one bathroom with walk in shower, and a very large living and dining room with access to a private interior patio, which also provides access to the large storage room.

There are three bedrooms on the first floor, all with built-in wardrobes and air conditioning. There is another bathroom with a large bathtub. All rooms have plenty of natural light.

The exterior area is very pleasant, located in a very calm and safe condominium, with a very nice environment that includes two swimming pools for adults and one for children. There is also access to a pool bar open all day for breakfast.

This house has a very welcoming, very fresh and modern, and it is close to several services and facilities. The beach is 2 kilometres away, and the airport is 22 kilometres away.
