Omschrijving:

There are homes that need renovation. Others need furniture. And others need time and money before they can enjoy them. NOT THIS ONE. Two patios, large private roof terrace, spacious and equipped kitchen, partially furnished and zero pending renovations. A house to start enjoying from day one

ITHLUX-Sevilla presents this magnificent semi-detached house in one of the most sought-after residential areas of Umbrete, a particularly well-maintained, bright and functional house, ready to move into from day one.

The house stands out for its spacious living-dining room with fireplace, a comfortable and cozy space for day-to-day life and family gatherings. The kitchen, independent and fully equipped, offers spaciousness and storage capacity, something increasingly difficult to find in current developments.

On the upper floor we find three good-sized bedrooms, all of them with fitted wardrobes and excellent use of space, as well as full bathrooms in perfect condition.

One of its great attractions is the set of outdoor spaces. It has a pleasant private patio where you can enjoy meals outdoors, meetings with friends or simply a quiet corner inside the house. Another interior
