### Omschrijving:

The Garajau area is the most popular holiday resort in Madeira next to Funchal. Many Germans have built a holiday home here or settled permanently. There are many villas with beautiful manicured gardens, but hoteliers also discovered the beautiful location on the gently sloping hillside and built tourism.

Here there are also several bathing options: either on the rocky coast of the Lido Galomar or on the Lido Rocamar. While the former is public and can be reached by elevator (entrance), the Lido Rocamar is intended for hotel guests only. A small coarse pebble public beach, Reis Magos, can be found at the Hotel Oasis Atlantic.

In Garajau there is a panoramic terrace, Ponta do Garajau, from where you have a wonderful view of Funchal. In 1927, a larger-than-life statue of Christ was erected here. Here there are also some shops and restaurants, as well as a small supermarket.

Cristo Rei Beach is 1.7 km from Villa Garajau House, while Funchal Marina is 8.6 km away. Cristiano Ronaldo Madeira International Airport is 13 km from the property.
