Located in L'Ansecoy Bay.	

This private and contemporary waterfront villa is set on a .75 acre beachfront plot. It opens itself to stunning uninterrupted ocean views and the islands of Balliceaux and Battowia. You'll find 3 spacious ensuite bedrooms upstairs and wide-open living, dining and kitchen spaces downstairs. Designed and decorated by a famed English photographer, you'll embrace its gallery-like feel and modern décor. It is architected to be a canvas of life where personal style and creativity are center stage. The home is also designed to be very cool (no air conditioning needed), easily maintained and mosquito-free. Light and airy throughout, you'll experience its serenity from the moment you open its doors. It has a 60ft x 7ft swimming pool and ultra-cool cabana on the beach.

If you're looking for peace, tranquility and ultimate relaxation, then StandFast is the property for you.

Located on Bequia's cooler east coast above the rugged L'Ansecoy Bay and just a short drive from Spring Bay and Crescent Beach, away from the busier areas on the West Coast. Peace And Quiet is provided in abundance here with no other properties in sight whilst still being easily accessible, offering a smooth drive from the harbour town of Port Elizabeth just 10 minutes away. The house has been specifically designed to avoid any potential mosquito habitats. This combined with the constant cooling sea breeze means the house is perfect for anyone who suffers with insect bites.
