Sweet Dreams - A Beautiful Traditional Townhouse in the Heart of Olvera Old Town

If you've ever dreamed of owning an authentic Andalusian home in one of Spain's most picturesque white villages, then Sweet Dreams may be exactly what you've been searching for.

Beautifully maintained and full of traditional character, this spacious townhouse is ideally situated in the very heart of Olvera's historic old town, where winding streets, whitewashed facades and breathtaking views create an unforgettable setting.

Entering the property through a charming and stylish San Juan entrance, a short flight of steps leads you into this warm and welcoming home. The ground floor immediately impresses with a large, sun-filled sitting room positioned at the front of the house. Featuring a delightful bay window seat, this inviting space enjoys lovely views towards the magnificent Sierra de Grazalema, making it the perfect place to relax and watch the world go by.

At the centre of the home lies the formal dining area and main entrance, creating a natural gathering space for family and friends. Beautiful moulded arches lead you through to the spacious kitchen, flooded with natural light and offering plenty of room for everyday family life as well as entertaining.

Beyond the kitchen, a generous internal patio provides a peaceful outdoor retreat - ideal for morning coffee, al fresco dining or simply enjoying the Andalusian sunshine in complete privacy.

To the rear of the ground floor, practicality meets possibility. Here you'll find a substantial storage room with endless potential, a dedicated laundry area and the first of the property's two bathrooms - a fully fitted shower room.

The first floor continues to impress with its generous accommodation. Two spacious bedrooms are located at the front of the house, each benefiting from elegant Juliet balcony windows overlooking the street below. To the rear are a further three bedrooms, offering flexible space for a growing family, guests, hobbies or even a home office. Completing this level is the family bathroom, conveniently positioned to serve all five bedrooms.

One of the true highlights of this exceptional home awaits on the top floor. A wonderful attic-style room with its striking traditional wooden beam ceiling offers a wealth of possibilities. Whether imagined as an artist's studio, reading room, games room or additional guest accommodation, this characterful space is filled with charm.

Stepping outside, you are greeted by the spectacular roof terrace - a magical setting with some of the finest views in Olvera. From here, the town's iconic church and castle rise dramatically before you, so close it feels as though the castle itself is part of your terrace. The panorama across the rooftops and surrounding countryside is simply breathtaking and provides the perfect backdrop for evening drinks, entertaining guests or watching the sun set over this beautiful corner of Andalusia. Under the sitting room is also a very useful storage area, which goes under the house with separate access.

Sweet Dreams is a rare opportunity to acquire a substantial traditional home that effortlessly combines authentic Andalusian features with comfortable family living. Rich in character, generous in size and blessed with one of the most enviable terraces in Olvera, this is a property that truly lives up to its name.

A home to fall in love with: and a view you'll never tire of.
