### Omschrijving:

Brač, Milna, attractive agricultural land with an area of 3794 m<sup>2</sup> - an olive grove with 50 arable olive trees.

It is located in a bay on the western side of the island, 200 m away from the sea, next to a construction, populated and highly sought-after tourist area.

The land offers a sea view, the nearby islands and the coast of Split and its surroundings.

There is a dirt road along the entire length of the land for vehicle traffic to the settlement.

It is 2 km from the center of the village connected to the local road and the main island road.

Grinding, filling and leveling of the terrain was carried out on that land, which contributes to a higher yield and availability of vehicles to each olive tree.

Previously, there was a vineyard on the same land that was not restored, which indicates the fertility of the land.

There is a water connection to the island's main water network on the land.
