Omschrijving:

We present a splendid and spacious 128-square-meter apartment, located on the sixth floor of an interior building, which boasts excellent natural light in every room. The property features a completely open-plan living room, designed with ample space for comfortable furniture and a warm, inviting atmosphere for everyday living. Specifically, the property includes a good-sized kitchen with plenty of storage, complete appliances (oven, microwave, refrigerator), and a spacious countertop ideal for three people. The dining area, designed to accommodate a six-person table, is semi-integrated. The sleeping area offers four very spacious double bedrooms and two full bathrooms with showers, practical fixtures, and windows that provide natural light and ventilation. All of this is within a well-maintained building dating from 1945, which features an accessible entrance for people with reduced mobility, a concierge service during business hours, two elevators, and a storage room of approximately 2 x 2 meters. Regarding its location, it's situated in the sought-after Jerónimos neighborhood, just steps from Atocha train station and El Retiro Park. The immediate surroundings are well-established and boast a wide variety of shops, cafes, supermarkets, and banks. Furthermore, it enjoys excellent transport links with diverse public transportation options, including metro lines, buses, and taxi ranks. Choosing this property is a fantastic opportunity to acquire a newly renovated apartment with a rental agreement, guaranteeing exceptionally spacious living areas, tranquility, and maximum comfort in a prime location. At Walter Haus, we understand that finding the ideal home is more than just an investment: it's about finding the place that fits your lifestyle.
