Omschrijving:

An Established and highly successful family pool bar and restaurant

Rarely available in the market this distinctive business is renowned throughout the region and with its close proximity to the stunning blue flagged beaches of Castelo, Evaristo, Coelho and Gale make it a unique investment opportunity.

As an ongoing concern it has all the major infrastructure associated with a long-standing operation and is key ready to continue and adapt according to the next owners vision

Center stage is the large swimming pool with an enticing water slide and distinctive waterfall.

The specific seating and lounge area circumnavigating the pool make it an ideal spot to watch over those enjoying a swim and features a separate children section

Additionally, and very popular with all ages is a 15-hole crazy golf course impeccably maintained and

ready to play.

From my own personnel experience, the family and I have spent many a happy day partaking and enjoying its numerous attractions.

Its a fabulous fun day out for the youngers with the multiple play zones, green areas and chance to watch the tropical birds and fish.

Surrounded by tropical plants there are Food booths, picnic tables and a choice of sunlounges and sun beds

The two three bar areas are supported by a large fully equipped working kitchen and ample storage in the property basement.

In its current form the business has been operating a pick up and collection service to the nearby accommodations as well as a variety of ad hoc services such as a free left luggage area.

Its highly regarded reputation and variety of attractions to entertain all ages ensure that people and families come for the day not just to eat.

This is an incredible business opportunity to buy into a successful business model and an exciting venture into the future!
