Omschrijving:	

The sea views can be enjoyed from the open-plan living area, the master bedroom and the guest bedroom, which also faces towards the ocean. All rooms have sea view.

This condominium is situated on the end of the top floor, so privacy and seclusion is guaranteed. The apartment is also the only one on the block that has side windows, so there is lots of natural sunlight.

The furniture is top-quality and consists of a settee, Flat screen tv and a fitted kitchen that is equipped with a stovetop, microwave, washing machine and a host of dishware and cutlery. The living area owns large patio windows that offer direct access to the quality furnished terrace and the above mentioned panoramic views.

There are two bedrooms in total, with one en-suite bathroom and a separate guest bathroom. The master bedroom owns a Queen size bed and a built-in wardrobe, alongside the en-suite bathroom that provides more than adequate showering and toilet facilities. The guest bedroom is equipped with two single beds and a built-in wardrobe.

The condominium is fitted with ducted air-conditioning and ceiling fans throughout, cable TV, a telephone connection and WI-FI internet access.

The complex offers gated 24hr estate security and communal facilities that include a choice of 2 swimming pools and a gymnasium. The location is situated at the peaceful Cape Panwa area and is peaceful, offering great views of the ocean and outlying islands. The location is also within a short distance to restaurants, bars and five 5-stars hotels, and within a 15-minute drive from shopping centres and Phuket Town.
