Office space for rent in the very centre of Rijeka, in the sought-after Brajda area. The office premises offer 107 m<sup>2</sup> of space and are located on the sixth floor of a commercial building. Thanks to its eastern orientation, the space enjoys plenty of natural light throughout the day, creating a pleasant and productive working environment. The property consists of six spacious offices, a kitchenette, and a private restroom. An additional advantage is the presence of two separate entrances, allowing the space to be easily divided into two independent business units according to the tenant's needs. A shared restroom is also available on the same floor. The building is currently undergoing renovations and upgrades, including the installation of a new elevator. Security is further enhanced by new security entrance doors and controlled access to the entrance area via a security code. The office space is vacant and ready for immediate occupancy. Its central location provides excellent access to all essential amenities, including banks, post offices, restaurants, cafés, and public transportation, making this property particularly attractive for a wide range of businesses. The space is ideal for law firms, accounting services, consulting and IT companies, architectural or design studios, as well as other professional activities that require a prestigious, accessible, and comfortable working environment.
