Omschrijving:

Building intended for services, whose last use was as a Senior Residence, large and located on one of the main roads in the town of Ereira, it benefits from a reasonable offer of commerce, services and public road transport nearby, as well as excellent sun exposure.

The property consists of two floors, attic, annexes and walled patio, covering an area with 815 m² of construction and implanted in a plot of 2462 m².

On the ground floor there is a hallway, hall, suite with dressing room, two bedrooms, office, medical office, living room, dining room, kitchen, three sanitary facilities, pantry, cold room, storage and porch.

On the first floor there is a hallway, six halls, a suite, ten bedrooms, toilet, storage and terrace.

The attic includes a hall, two storage rooms and a terrace.

There are also two annexes: one with a hall, living room, kitchen, toilet and roof terrace; and another consisting of an outdoor toilet and two storage rooms.

The structure, originally prepared for social purposes, offers large interior areas, generous rooms and a versatile layout, allowing multiple possibilities for conversion.

The simple and functional architecture stands out for the fluidity in the circulation between spaces and for the existence of several rooms, bedrooms and technical areas easily adaptable to different projects.

The location, in a quiet area, reinforces its potential for residential, tourist or service uses.

The property also benefits from excellent accessibility, being just a few minutes from Cartaxo, the EN3,
