Omschrijving:

This 1,959 m² building plot is located in Stara Sušica, a settlement within the municipality of Ravna Gora. It is ideal for the construction of a family home, a luxury holiday villa, or tourist accommodation, offering peace and a pleasant stay in a beautiful natural setting. The location is perfect for those who enjoy an active lifestyle and outdoor recreation, thanks to its proximity to national parks, hiking trails, and ski resorts. The plot benefits from excellent road access, making the construction process easier and more convenient. It has a regular shape and offers ample space for a variety of architectural solutions, from a modern family home to a traditional Gorski Kotar-style villa. Utility infrastructure is available nearby. With the growing interest in Gorski Kotar as a destination for both living and holidays, this property represents an excellent investment opportunity.
