Omschrijving:

We present a 4 bedroom villa in Funchal, in the Sé area, with an excellent connection to daily life and easy access to essential services. The location stands out for its proximity to commerce, transport and health and education equipment.

The house is spread over 3 floors and has a garage, laundry room and additional spaces such as basement and attic. With generous areas, it is an interesting option for those looking for more spaciousness and organization in their daily lives.

The villa was renovated in 2022, remaining as a solution with the potential to live comfortably. The year of construction is 1977, with energy certification D.

If you are looking for a well-functioning home with a central location in Funchal, this villa may be the right choice for your next step. - REF: 123511224-260
