Omschrijving:	Located in Malia.

Located in a highly desirable Malia's historic old town, this 60-square-meter two-story home offers a blend of charm and convenience.

The ground floor hosts a welcoming living space, a kitchen, and a shower room. Up the wooden staircase lies a spacious double bedroom, complete with built-in wardrobe, a wooden ceiling, and an access to a private balcony.

For year-round comfort, air conditioning units are fitted in the bedroom, kitchen, and living area, while a separate garage provides parking for a small vehicle.

While modern part of Malia is celebrated as a lively seaside resort with sandy beaches, the old town preserves its peaceful, authentic soul. It is a warm, friendly neighborhood with excellent year-round amenities just a short stroll away.

Only a 20 minute drive to the international airport of Heraklion Crete.
