A prestigious perfectly restored estate with an internal courtyard, outbuilding and panoramic views, ideal as an exclusive relais for sale in Pienza. Framed by the landscapes of the Val d'Orcia, a UNESCO World Heritage site, this stone country house sits in a dominant and private position just 3 km/1.8 miles south of the renowned Renaissance village of Pienza. Adorned halfway up the hill between the valley floor and the town, the estate offers a breathtaking panorama embracing Mount Amiata to the south and Pienza to the north. Access is granted by a cypress-lined avenue and a gravel road, ensuring total privacy within the most authentic Tuscan landscape. The architecture of the building, which has reached us keeping its original historical elements intact, elegantly unfolds around a beautiful central courtyard. The main farmhouse, of approximately 360 sq mt/3,875 sq ft, comprises on the ground floor an entrance hall, a former stable converted into a living room, four bedrooms (one of which has a small sitting room), and three bathrooms. The first floor, accessible from an entrance, hosts a large kitchen, a pantry/back-kitchen, a living room, two bedrooms with two bathrooms, a guest bathroom, and a small laundry room. The basement level houses a cellar and large utility/technical rooms. The property also features a turret used as a study. Completing the farmhouse are approximately 55 sq mt/592 sq ft of porches, 10 sq mt/108 sq ft of loggias, and about 70 sq mt/753 sq ft utilized as a cellar, laundry room, and garage. The property is enhanced by an independent guesthouse (dependance) of approximately 100 sq mt/1,076 sq ft, consisting of three bedrooms, three bathrooms, and a kitchen/workshop. The bedrooms are all interconnecting and feature direct access to the garden. Outside, the residence presents a meticulously maintained lawn garden of approximately 4,379 sq mt/47,135 sq ft and a splendid swimming pool of about 60 sq mt/646 sq ft, complete with a sun deck (solarium) and gazebo. The estate includes
