Omschrijving:	

Elegant residence located within a prestigious 15th-century noble palace, for sale in Pienza. The property, featuring authentic finishes, boasts a dual exposure of rare beauty: on one side, it overlooks the town's historic main street, while on the other, it opens onto the ancient walls, offering picturesque views of the Val d'Orcia hills. Access to the residence is via a shared staircase that leads into bright living spaces, characterized by premium materials. The surface area is 124 sq mt/1335 sq ft and develops harmoniously over two levels. On the ground floor, the property hosts a spacious and comfortable independent room with a private bathroom, a highly versatile space, accessible and barrier-free, ideal to be used as a professional studio, reading room, or guest area. Going up to the first floor there is a splendid living room and a bright eat-in kitchen, rooms that keep the charm of the era intact thanks to the traditional original terracotta floors and high ceilings embellished with exposed wooden beams. The sleeping area houses an elegant double bedroom, a refined study, and a finely finished second bathroom. The real masterpiece of this residence is the panoramic terrace. This intimate space of 12 sq mt/129 sq ft represents an exclusive private viewpoint from which to admire the sunsets and the beauty of the Siennese hills. Partially furnished and served by all comforts, this renovated home represents an unrepeatable opportunity. It is the ideal choice both as a prestigious private residence and as a high-level investment for luxury hospitality in one of the most sought-after villages in Tuscany
